

TITAN

A NEW KIND OF RELIABLE

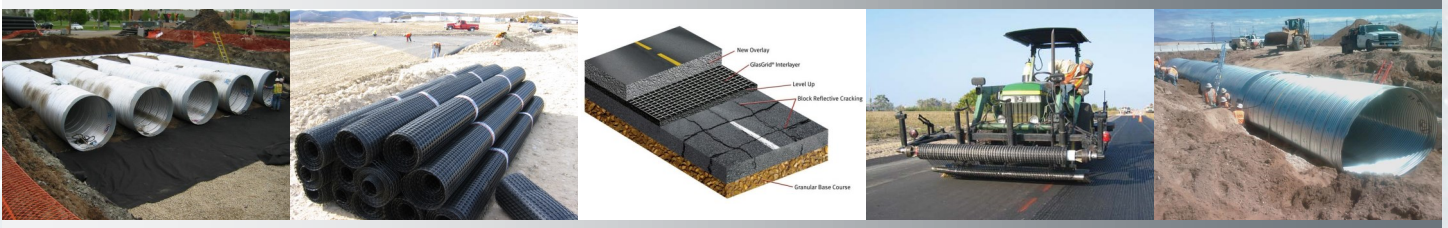

Engineered Construction Products

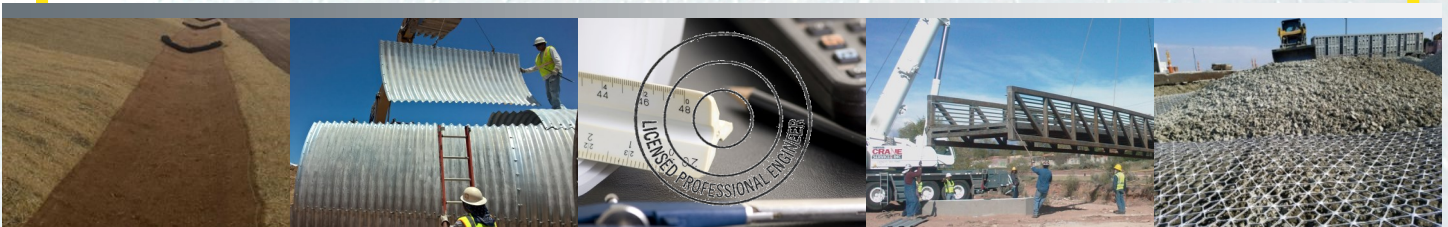

Culvert & Storm Drain Pipe Products • Bridge Systems
Tensor Geogrids • Stormwater & Erosion Control Materials

Titan Construction Products is your complete source for engineered construction products used in highway, commercial, residential, bridge, stormwater, erosion control, irrigation and drainage projects applications. Titan's engineering expertise, local know-how and reliable products combine to deliver a superior level of value added benefits, customer service and profitability. **If we don't have your solution, we'll create it.**

Geotextile Fabrics • Engineering & Design Services
GlasGrid & GlasPave Asphalt Pavement Reinforcement

titanecp.com

888-487-4428

Corrugated Metal Pipe
High Density Polyethylene Pipe
Polyvinyl Chloride Pipe
End Sections

**STORMWATER
MANAGEMENT**

Storm Drain Pipe
Culvert Pipe
Detention & Retention Systems
Design & Consultation Service

Compost Socks
Wood Chip Wattles
Wood Chip Socks
Biodegradable Socks
Straw Wattles
Coir (Coconut) Logs
Wire Backed Silt Fence

**EROSION & SEDIMENT
CONTROL**

Turf Reinforcement Mats
Permanent Blankets
Photodegradable Blankets
Biodegradable Blankets
Hydraulically Applied Products
Articulating Concrete Block
Pin & Staple Anchors

GlasGrid
GlasPave

**PAVEMENT REINFORCING
SYSTEMS**

Pavement Reinforcement
Pavement Preservation
Crack Reduction Systems

InterAx Geogrids
TriAx Geogrids
Biaxial Geogrids
Uniaxial Geogrids
Rigid & Flexible Geogrids
Design & Field Services

GEOGRIDS

Subgrade Stabilization
Base Course Reinforcement
Pavement Optimization
Retaining Walls
Steepened Slopes

Nonwoven Fabrics
Woven Fabrics
Monofilament Fabrics
Custom Specification Fabrics

GEOTEXTILES

Filtration
Separation
Erosion Control
Stabilization
Paving
Weed Barrier

PVC & HDPE Liners

GEOMEMBRANES

Pond Liners

Steel Truss Pedestrian Bridges
Steel Truss Vehicular Bridges

**BRIDGE
SYSTEMS**

Precast Concrete Arch Bridges
Steel Structural Plate
Aluminum Structural Plate
